Out of town guests present at the Tells How Vinol Restores Strength and Vitality to the Weak, Worn-Out Ones in Her Charge.

> Rosary Hill Home, Hawthorne, N.Y.-"I have been at work among the sick and poor for nearly eighteen years, and whenever I have used Vinol for rundown, weak or emaciated patients, they have been visibly benefited by it. One patient, a young woman, was so weak and ill she could hardly creep to my door for aid, and was leaning on a friend's arm. I supplied Vinol to her liberally and in a month when she returned to thank me I hardly recognized her. She was strong, her color charming and her cheeks rounded out. These words are uttered from my heart, in order that more people may know about Vinol, as there is nothing makes me happier in the world than to relieve the sick Mother M. ALPHONSA LATHROP, O.S.D., Hawthorne, N.Y.

Such disinterested and reliable testimony should convince everyone of the merits of Vinol, our delicious cod liver and iron tonic to build up health and strength for all weakened and nervous conditions, whether caused from overwork, worry or chronic coughs and colds. If Vinol fails to benefit we return your

Ashland Chief 751 Grace Ashland..... By Mambrino Chief 11. Meg By Herr's Boston,

An analysis of the predigree reveals the fact that Fair Promise, 2:20, sire of Good Promise, is one of the most royally bred horses within the lids of the Stud Book, being by the Great Futurity Sire, Baron Wilkes, and out of Duchess, the dam of Rythmic 2:06%, a winner of the rich M. & M. stakes and the greatest trotter of his year; while Brillanta, the dam of Good Promise, is by the great Wilkes Boy 2:24 1-2 the most richly bred of all the sons of the great George Wilkes.

Wilkes Boy, besides siring 105 in the lists, among them Courier Journal 2:06, Judge Swing 2:081, York Boy 2:081, also sired the dams of Spanish Queen 2:07, Dark Wilkes 2:09. Waverly 2:091 and 72 others in the lists.

The breeding of Good Promise is an unusual blending of the Hambletonian-Mambrino Chief strains through some of their greatest sires and dams. I consider Good Promise one of the handsomest in the state, a show horse of high form and a race horse. With little work as a three-year-old he trotted a mile in 2:30 and no one can witness his burst of speed and doubt him capable of a low record. Besides his great speed, he is remarkably level-headed and individually one of the best types of the American coach horse as

now being bred by the Government. While Good Promise is a standard bred trotter he is also a fine saddler and should produce a great lot of combined horses as well as speedy ones.

Good Promise will make the season of 1915 in Somerville, Tenn., at Dickinson's stable. Best of care will be taken to prevent accidents or escapes, but will not be responsible
